

Student Sharing Conferences – Class 21A

Dear Parents/Carers,

Teachers continue to encourage students to evaluate themselves in many areas and identify their own strengths and challenges. We would like to invite you and your child to attend a three-way conference involving students, parents and teachers. This is an important way to support and encourage student learning. Teachers will have discussed these areas with students and prepared them for sharing their ideas with you.

The Three-Way Conference (Parent-Student-Teacher)

During the conference **students** will:

- share their identified strengths and any challenges in English and Mathematics
- share an activity or task that they have enjoyed completing.

There will be an opportunity for you to ask questions or make comments to your child.

21A three-way conferences will be held across week 10: Wednesday 25 8.30 – 9.00, Wednesday 25 2pm – 4pm, Thursday 26 8.30 – 9.00 and Thursday 26 3.00 – 4.00. **Each conference session is 10 minutes ONLY.**

Following the conference, if you have any issues you wish to discuss with the teacher, you can arrange for an additional meeting or phone call.

Please indicate your preference (**write 1, 2 then 3**) for the time you wish to meet with your child and their teacher on the form below. **Return the form to your child’s class teacher by Monday 16th September, 2019.** Your child’s teacher will advise you in writing of your allocated time.

We look forward to seeing all students sharing their achievements with their parents,
