

### Stages Two and Three Subscriptions

Dear Parents/Caregivers,

Student in Years 3-6 will once again be using the school magazine during reading sessions this year. **This will cost \$12 per student.** They will receive 10 editions of the magazine to work from and keep. This forms an integral part of our reading and comprehension program and is a key component of your child’s learning.

This year, we will be using the internationally acclaimed NUADU online program for differentiated activities to help your child excel in English and mathematics. NUADU is a powerful and unique assessment-focused personalised learning environment. This will be used both at school and home throughout the year. The school will subsidise the subscription and students will pay **\$20**

Please complete the slip below and return it, with the **correct money**, to your child’s classroom teacher as soon as possible. Payments can also be made online via the school website.
