Parramatta North Public School

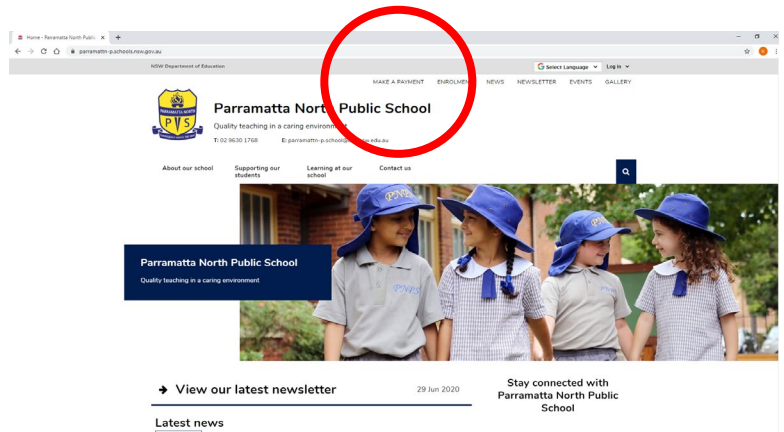

Dear Parents,

This year, all students are participating in the Musica Viva program. Students are currently involved in lessons based on the music of the **South Australian ensemble - Rhythms Works**. Our music program will conclude with a **compulsory Zoom concert** where all K-6 students can participate and engage with the band and their music via an online webinar. The Rhythm Works are a dynamic, funky percussion duo who are masters at coaxing out the musician that lurks within us all. In their high energy, interactive show, students are introduced to simple, readily available software that quickly enables them to loop a basic rhythm track and add layers of complexity with tuned and un-tuned percussion and vocal parts.
