

School Banking 2020.

Building the saving skills of young Australians.

School banking is every **Tuesday**

We take this opportunity to thank and congratulate our consistent savers every week!

Parramatta North Public School has decided that as of 2020 we will no longer issue silver or gold Dollarmites tokens each week with School Banking. The number of deposits made by individual students and therefore the number of electronic tokens will continue to be tracked by the School Banking Volunteer Team via the CBA School Banking Portal.

We encourage you to keep track of savings and electronic tokens with the CommBank Youth app, available on any ios device (requires iOS 9.0 or later) from the App Store.

This innovative banking app gives students hands-on experience in learning real-life money skills in a safe and fun digital environment. It also provides a new way for students to keep track of their electronic tokens. For more information regarding the CommBank Youth App please go to the following link: www.commbank.com.au/schoolbanking

Please ensure your child's deposit slip is correctly filled out before banking with School Banking. The below example indicates the fields that are required to be completed.
