Uniting Outside School Hours Care North Parramatta provides quality education and care for children from Kindergarten to Year 6. The service operates within Parramatta North Public School.

As part of the children's ongoing development and wellbeing, we work in partnership with them to create engaging programs that inspire lifelong learning. Our holistic approach ensures we cater for each child's individual needs and interests. Our curriculum is guided by the 'My Time, Our Place' Framework which is embedded through activities such as art and craft, cooking, science and technology, outdoor play, dance and drama.

Uniting also offers vacation care and incorporates fun and educational incursions and excursions. Please see the vacation care calendar on the [Uniting website](#) for more details.
