

Dear Parents,

SCHOOL FEES now known as VOLUNTARY CONTRIBUTIONS

School Fees, now known as Voluntary Contributions, are paid annually and are as follows:

One Child	\$30.00
Two Children	\$50.00
Three or more Children	\$60.00

Money collected from the contributions will be used to supplement school expenditure within your child’s learning program. While contributions are voluntary, the quality of teaching programs will be maximised at Parramatta North with the allocation of funds from this source. These funds will be used in our technology department. Technology has become an integral part of all aspects of learning and up-to-date equipment is essential to support our students.

Please send your payment to school as soon as possible.
