

On Monday I
am coming
back to school
at Parramatta
North Public
School.

Mum or dad or someone who is caring for me will drop me at Albert Street gate.

Gate 3.

Or they will drop me at Harold Street gate.

Gate 2.

I will walk along the path to the basketball court where the teacher is on duty.

Then I will put my bag on the handball courts.

I can play with my friends until the music starts.

We will walk to our class in our lines.

We will sanitise our hands at the door and then put our bags away.

We will then be ready to have some fun in maths, or English, or maybe science, art or PE!

I will eat my recess and lunch in my stage playground area.

At the end of the day, I will walk to the alcove and wait for mum or dad or my carer to pick me up.

They will pick me up at Gate 4.

I will have a great day at school as I am a safe, respectful learner.

I am looking forward to seeing all my friends and teachers back at school on Monday!

COVID-safe operations for schools

Department Preschools,
Kindergarten & Year 1

18
October

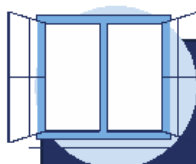

All other years

25
October

Drop-offs and pick-ups

Drop-offs and pick-ups will be by staggered groups. Entrances and exits to be used to start and finish school days are marked on a PNPS map to be sent shortly to all families. Please follow the physical distancing rules, avoid gathering outside gates, remain off school grounds and wear a mask.

Ventilation

Open or well-ventilated spaces reduce the risk of transmission of COVID-19 because infectious particles are more quickly diffused in the open air than in spaces with less ventilation. Outdoor settings will be used where practicable.

Students should be at school from the date indicated for their year group unless they are unwell.

Students return to face-to-face learning in staged cohorts. COVID-safe operations are maintained through high rates of staff and student vaccination, safe rostering and physical distancing.

Vaccination

All adults on school sites must be fully vaccinated against COVID-19, including employees, contractors, volunteers and essential visitors. Students aged 12 or above are now eligible for a COVID-19 vaccination. Parents and carers can book in a Pfizer or Moderna vaccine now.

Visitors

Only essential visitors are allowed on school sites. All visitors are required to wear a mask and sign-in using the Service NSW QR code when entering the school.

Masks

Masks will be required for all staff and all students

in Year 7 and above while they are indoors and outdoors on school sites unless eating or exercising. Masks are strongly recommended for primary students both indoors and outdoors unless eating or exercising. Students should bring their own masks where possible, but schools will have back-up supplies just in case. Masks are also required for all travel on public transport for children 13 years and older.

Hand hygiene & cleaning

Students will be reminded to wash their hands often. Sanitisers, soaps, paper towels and other essential items will be readily available for students. Enhanced cleaning will continue on our school site.
