CANTEEN SERVICE TERM 4 2023

Parramatta North Public School

Hello and welcome we are pleased to introduce our service to the Parramatta North School Community!

The School Canteen is a local small business owned and operated by an inner west mum and dad team. We are proud parents to 4 young children ourselves and know the importance of delivering the very best quality food without the use of artificial colours, flavours or preservatives. Our food is made fresh to order each day no nasty numbers here!

We have been serving Primary Schools since 2012 and are very grateful to have had the support of your school community who have shown great enthusiasm and support for our food philosophy and vision to offer honest healthy foods to school students. We hope you will find our service a convenient solution for your child's lunches as they settle into term 4.

Our service operates every Tuesday for lunch from week 1 of Term 4.
Lunches are prepared fresh to order and delivered to your school.

Orders are placed online using Spriggy Schools (www.spriggyschools.com.au) To open an account, use the link above to the spriggy schools website and follow the prompts, it will take no more than 5 minutes and you will be ready to order. **Orders can be placed for the day- order cut off is 7:30am.** There is an option to make an order for the day or for every Tuesday up to three weeks in advance!

Should you wish to discuss a special dietary need, have something you would like to see us offer or would like to provide your feedback please feel free to contact us at anytime via phone - Kirsty ph: 0416 786 603 or email: info@theschoolcanteen.com.au
