

Education

Parramatta North Public School

School Magazine Subscription Stages Two and Three

Dear Parents/Caregivers,

As part of the Literacy curriculum, students in Years 3-6 will once again be using the School Magazine as a resource during reading sessions this year. **This will cost \$12 per student, being only \$1.20 per issue** as they will receive 10 editions of the magazine to work from and keep. This forms an integral part of our reading and comprehension program and is a key component of your child's learning.

The magazines are available in four levels:

Year 3 students - **Countdown** is a literary treasure trove that inspires and captivates newly independent readers.

Year 4 students - **Blast Off** excites and delights inquisitive and independent readers, consolidating their knowledge of English.

Year 5 students - **Orbit** captures the imagination of skilled readers through crafted texts and engaging illustrations.

Year 6 students - **Touchdown** delivers a rich array of texts, allowing capable readers to explore the exciting world of literature.

Please complete the slip below and return it, with the **correct money**, to your child's classroom teacher as soon as possible. Payments can also be made online via the school website.
